

1. What is OneKarigar ?

OneKarigar is a tech-enabled skilled services platform that connects customers with verified construction and interior karigars (carpenters, ceiling workers, civil, plumbing, electrical, etc.) under one trusted brand.

It solves the problem of unreliable local vendors, lack of transparency, no warranty, and poor quality control.

2. What Problem Are We Solving ?

Current market issues :

- No fixed pricing
- No bills or warranty
- Poor workmanship
- No accountability
- Customers struggle to manage multiple vendors

OneKarigar provides :

- ✓ Single point of contact
- ✓ Verified & rated karigars
- ✓ Transparent pricing
- ✓ Architect-led supervision
- ✓ Written warranty

3. How OneKarigar Works

- Customer raises a service request
- OneKarigar evaluates scope & gives quotation
- Work is assigned to verified karigar
- Work is executed under supervision
- Payment collected by OneKarigar
- Karigar paid after milestones
- Warranty & after-service handled by OneKarigar

4. Business Model (Revenue)

- OneKarigar earns 10–20% commission per project
- **Revenue sources :**
 - Labour margin
 - Material margin
 - AMC / warranty services (future)
- Low asset, scalable model
- Example :
 - Project value: ₹1,00,000
 - Commission: ₹10,000–20,000
 - Monthly scalability through volume

5. Services Offered (Phase-wise)

- Carpentry & furniture
- Gypsum / PVC / WPC ceiling
- Wall punning & minor civil
- Plumbing & electrical
- Painting
- Modular kitchens & wardrobes

6. Competitive Advantage (Why We Win)

Others

Unorganized vendors
No supervision
No tech
No warranty
No scale

OneKarigar

Organized brand
Architect-led
Tech-enabled
Written warranty
Scalable platform

7. Competitive Advantage (Why We Win)

- Standardized pricing & processes
- Vendor (karigar) onboarding system
- Tech platform (app / CRM / dashboard)

- Repeat customers
- Expansion city-by-city
- This can evolve into an UrbanClap-style platform focused on construction & interiors.

8. Founders' Roles

- **Founders' Roles (Clear Split)**
 - ✓ Business & operations
 - ✓ Vendor onboarding
 - ✓ Quality control
 - ✓ Pricing & client handling
 - ✓ Brand trust
- **Co-Founder Roles**
 - ✓ Platform & app development
 - ✓ CRM & automation
 - ✓ Karigar management system
 - ✓ Customer experience tech
 - ✓ Data & scalability

9. Vision (Long-Term)

To become the **most trusted skilled-services brand** in Tier-2 & Tier-3 cities, starting with interiors and construction.
